The board continued the conversation from last month about Brockbank's Communication goal. Mrs. Nelson will work with grade level teams to improve grade level communication with parents. A note and e-mail will be sent to parents to inform them of the new Nebo app at the beginning of the 2018-2019 year. The rest of the goal will proceed as written.

The next goal discussed was Brockbank's Safety Goal. The board reviewed and discussed the goal. No changes were made and it will proceed as written.

The board signed off all goals for the 2018-2019 school year.

Verbal commitment was given by each board member. Tiffany Beus will not be returning and Valerie Benson is up for election. All other members will be returning.

The board's final business was Brockbank's safe walking routes. A minor change was made to Section 3. Students are now to stay on the south side of the road until they get to the four way stop.
