School Community Council Minutes
December 2, 2014

In attendance: Alison Hansen, Marcy Noorda, Amberly Kariuki, Chris Dudley, Georgette Rowley and Russ Morgan

* Mrs. Hansen gave a recap of last month’s discussion on boundary changes and SAGE testing for those not in attendance last month. She also answered questions that arose from that discussion.

* The primary focus of today’s meeting was the development and revision of the School Improvement Plan.

* Goal #1- This goal ensures that all students receive strong literacy instruction to meet each individual needs and monitor each student’s progress in meeting grade level competency goals. The council discussed the goal and made minor changes.

* Goal #2 was postponed until January’s meeting.

* Discussion continued on the parent survey. No decisions were made yet.
