School Community Council Minutes
November 4, 2014

In attendance: Alison Hansen, Marcy Noorda, Amberly Kariuki, Tiffany Beus and Marjorie Brown

* Mrs. Hansen discussed the results of last year’s Sage tests compared to the district and the state. She also explained the process of this new test and how it has changed from previous year’s testing process.
* Mrs. Hansen talked about the upcoming boundary changes due to the scheduled openings of two new elementary schools in our district. These boundary changes will primarily affect the Springville and Mapleton communities but there is a proposed boundary change for Brockbank and Riverview elementary. This boundary change is necessary to balance the enrollment of the two elementarys.
* The board decided to wait until next month to discuss the school goals when more of the board is in attendance.
